FURNISHINGS

These sofas are hand crafted and made to order from the finest materials, sourced from around the world. Our leathers are natural, have character and age beautifully. All our solid hardwood comes from sustainable forests and our shapely legs are hand turned and polished to perfection. Fillings are super soft, mixing feather, foam and fibre.

### **Cover Options**

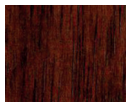

Available in 3 fabric options. Leather/Fabric mix

### **Foot Options**

Available in three wood options

Weathered Oak

Dark Wood

Black

### **Care**

Cushions must be plumped regularly to retain their performance and appearance.

Wood is a natural product, variances in grain and colour are a sign of a genuine product. Always handle with care

The natural leathers used to upholster have unique characteristics including scars, grain variations and other markings.

It is normal for leather to show signs of stretching and creasing and for interiors to lose density from use.
