## Sofa Range

**Gerald Shotton**  
FURNISHINGS

**Frames**

Sturdy and reliable, this hardwood frame is made with sustainably sourced timber. Put together by skilled craftsmen, by hand in the UK, this sofa is made to last.

**Seat Cushions**

Foam, that bounces back for an ultra low maintenance sit, and a comfortable cocoon of support.

**Scatters Cushions**

Soft and inviting, our duck feather scatter cushions are 100% responsibly sourced. They're included, too - simply choose one fabric for your scatters from this book, excluding the lounge & extra large sofas, where you can choose two fabric options. (Please note, scatter cushions are not included on leather items).

**Feet**

Available in shades Walnut, Weathered Oak or Natural (wood), & Chrome (metal).

**Care**

Cushions must be plumped regularly to retain their performance and appearance.

Wood is a natural product, variances in grain and colour are a sign of a genuine product. Always handle with care
