Sofa Range

Contemporary design with stunning quilting detail on the side arm looks elegant. sides of the sofa contain handy hidden drinks holders and extra storage space for magazines, remotes and throws, so you can make the most of your space.

Available in a power recliner option that can recline to any position at the touch of a button, so you can find the perfect angle anywhere between upright and horizontal. The power recliner also comes with rise and tilt headrests, that will offer relaxing support to just the right position for your back, neck and shoulders. The power recliner option has USB and type-c ports built in, so you can charge your devices as you relax.

Remarks

The natural leathers used to upholster have unique characteristics including scars, grain variations and other markings.

It is normal for leather to show signs of stretching and creasing and for interiors to lose density from use.

Furniture is designed for a maximum user weight of 120kg.

Dimensions and specifications may change without prior notice.

All dimensions are approximate, please allow a tolerance of +/- 25mm (1 ins).
