Dining Collection

Gerald Shotton
FURNISHINGS

This range combines modern sophistication with functionality.

Available in two finishes—white ceramic with a beige gloss cabinet or light grey ceramic with a dark grey cabinet—this range features a smooth auto-rise extension mechanism in 130–170 cm and 160–200 cm sizes.

A ribbed pedestal base adds a striking design element.

The collection also includes matching coffee, console, side tables, a TV unit, and a sideboard for cohesive interiors.

Made from premium ceramic, the tables are heat, scratch, and stain-resistant, offering durable elegance for refined living spaces.
